

Liturgy Committee
June 6, 2024

Present: Michelle Corkery, Deb Heffernen, Carol Ambrose, Father Ben Nkrumah, Kraig Emick
Absent: Kitty Kaiser

Father opened the meeting at 9:00am with Glory Be.

Michelle asked Father if the position of the music teacher would be taking over the duties provided by the bereavement committee. Father stated they would not.

Father discussed what duties the school music teacher would handle. The teacher would work with the students helping them to learn songs they would be singing in church during school Mass.

Father discussed needing someone to provide music for the children during their Mass at church. Kraig Emick volunteered to be a music coordinator. He would provide music and help with the cantors.

Michelle discussed that someone had changed the banner and it didn't involve anyone on the committee. Father apologized and asked someone to change it since the committee didn't change the banner.

Father informed us that if the number in the calendar is black, then the white banners need to be put up Saturday and Sunday.

Weddings also need to have white banners. There is one this Saturday, June 8th and one on June 22nd.

Our next meeting will be Thursday, July 11th if Father Austin is available.

Meeting ended at 9:40am.

Respectfully submitted by Deb Heffernen, Secretary.
